Main Idea
||
||
Two separate themes ~ One that is bright, one that is dark(eg. Sun and Moon)

General Layout
||
||
~ The Home page will use the standard top nav section and footer.

~ On the right hand side there will be a scroll with daily news/events

~ On the left hand side will contain an directory for parts of the page, as well as an most recently updated list
~ Middle section will have 5 areas for different types of books

Color Themes
||
We can consider using a lighter orange in comparison to SUN heading word
